- a) Participating in an NQPFC Cruise Day as advertised on the NQPFC Forums Events Section – typically on the third Sunday of the month. Download the <http://www.tmr.qld.gov.au/~media/Registration/Registering-vehicles/Street-roads-and-vintage-cars/Special-interest-vehicle-scheme-guide.pdf> from the page above to view all

the conditions and requirements of the Special Interest Vehicle Scheme.

4. Rules Associated With Special Interest Vehicle Concessional Registration:

In addition to the TMR rules that can be found on the web page linked to above, the NQPFC Constitution states:

To retain club registration of the motor vehicle in their name the member must:

- a) remain a financial member of the club;
- b) attend a minimum of 4 club events over the financial year; and
- c) abide by all the rules associated with club registration.
- d) If they can't attend then they must inform the Secretary prior to each meeting or event giving the reason for non-attendance.

If any of the above rules are broken the member when notified must give reason before the committee as to why the rules were broken. If no valid reason is given then a letter will be sent to the TMR informing them that club registration is to be rescinded.

A dating certificate for club registration will only be issued to the member under the following circumstances:

- a) the member is a financial and active member of the club;
- b) has been a member for a minimum of six (6) months; and
- c) is aware of the section on club registration in the constitution and the TMR rules and regulations regarding Special Interest Vehicle Concessional Registration.
